

Smoove Operator

Business profile

BUSINESS

Developing an independent marketplace commerce and distribution business.

COMMERCIAL ROLE

Product sourcing, purchasing, marketplace evaluation and inventory decisions.

SUPPLIER RELATIONSHIPS

Seeking brands, manufacturers, wholesalers and authorized distributors.

PHYSICAL OPERATIONS

Independent preparation providers and marketplace fulfillment networks. No company-operated warehouse.

PURCHASING APPROACH

Evaluate product eligibility, documented sources, channel requirements, demand and total costs. Repeat purchasing depends on observed performance, availability and economics.

DOCUMENTATION

California seller's permit on file. Appropriate resale documentation is shared directly during account applications.
